05 Frequently asked questions

Does this tap mix hot and cold water?

No. Supply cold or pre-blended water; blending is arranged upstream.

Is it included with the B34676 trough?

No. Select it as a separately priced optional extra. Choose the tap quantity to suit the required tap-hole arrangement; the quantity can vary for the same trough length.

Are B34676 tap holes pre-punched?

No. Confirm the hole position and diameter for the selected installation.
