Intended applications	Material Handling
Industries	Bakeries, Food & Beverage Processing

05 Supply and support

Typical lead time	10–15 working days
Warranty	12 months

06 Frequently asked questions

Which scoop sizes are available?

The published nominal sizes are 250 g, 500 g, 1 kg, 2 kg and 5 kg. Select the complete item code for the required size.

Does the size label guarantee the weight of every ingredient?

No. The gram and kilogram labels identify nominal catalogue sizes. Ingredient density and the way the scoop is filled affect the amount held; confirm the capacity needed if a measured portion or particular volume is essential.

What material is used?

The round scoops are manufactured from Grade 304 stainless steel.

Which code identifies the 5 kg scoop?

The published 5 kg nominal size is item A08112(109-5000), within this round scoop range. Quote that complete code when ordering the 5 kg size.
