## 05 Frequently asked questions

**Which material grades and capacities are available?**

The published configurations offer Grade 304 and Grade 316 stainless steel, each in 50 L, 75 L, 100 L, 150 L and 200 L capacities.

**Is a lid included?**

Select Yes for Drop-On Lid to choose a configuration with the matching lid. Select No for a container without a lid.

**What construction details are common to the range?**

The containers use 1.2 mm stainless steel, drum handles, a reinforced bottom rim and a seamless interior with radiused corners.

**How do I identify the required configuration?**

Select Material, Capacity and Drop-On Lid together. Choose the material grade for the intended contents and cleaning process, then quote the resulting item code.
