05 Frequently asked questions

Which trap and flushing inlet does this product have?

B17659(ST) has an S-trap and a top-entry flush inlet.

Are toilet mounting holes included?

This B17659(ST) model is supplied without toilet mounting holes.

Are the seat and flushing system included?

Excludes toilet seat and flush valve unless otherwise specified. The B17110(L380-DPB) 9 L stainless steel cistern and Walcro 106T exposed lever-operated top-entry valve are optional, separately priced flushing alternatives. Select one flushing arrangement to match the water supply and installation.

How should the installation be planned?

Coordinate wall support, waste and flushing connections, the selected seat, mounting height and clearances with the complete accessible washroom layout.
