## 04 Specification notes

**Configuration description**

The Basterfield B17730(SPB-600) is an optional stainless steel support bracket for the B17730 wall-hung trough urinal. It provides a 600 mm finished height and is suitable for senior primary, high school learners and adults. Select one bracket per urinal when additional support is required. Confirm the wall structure, fixing method and installation height before fitting.

**Short Form Specification**
