01 Product description and specification

Product description

Concealed back-entry 15 mm urinal flush system recommended as an optional accessory for the Basterfield B17744(B) wall-mounted bowl urinal. The push-button arrangement keeps the flush connection behind the bowl for a concealed pipework installation. Specify one system per back-entry bowl and coordinate the wall and plumbing layout before installation. Supplied and priced separately from the stainless steel bowl; select the matching inlet arrangement when planning a new washroom or replacement.

Short Form Specification

SPECIFICATION USE
Use this description when specifying this product range.

B17744(155UW) concealed back-entry 15 mm push-button urinal flush system, recommended as a separately priced optional accessory for B17744(B); one system per bowl.

04 Supply and support

Typical lead time	10–15 working days
Warranty	12 months

05 Frequently asked questions

What is this item?

A concealed back-entry 15 mm push-button urinal flush system.

Which bowl is it recommended for?

B17744(B), the back-entry wall-mounted bowl urinal.

Is it included with the bowl?

No. This accessory is supplied and priced separately from the bowl.

How many systems should I specify?

Specify one system per B17744(B) bowl.

Can I use the top-entry accessory arrangement instead?

The B17744(T) top-entry bowl has a separate recommended exposed valve and offset pipe arrangement. Select accessories for the chosen bowl inlet.
