05 Frequently asked questions

Which B17750 model uses this assembly?

B17744(B-155UW) is an optional flushing assembly for B17750(B), the back-entry model. Specify one assembly per urinal.

What is shown in the assembly image?

The concealed push-button valve, circular wall plate and formed connecting pipe are shown. The stainless steel urinal is ordered separately.

Can I use this with the top-entry model?

For B17750(T), select one Walcro 103LUR valve and one UR15TP offset flush pipe instead.
