Warranty	12 months

05 Frequently asked questions

Where does the flushing connection enter?

B17747(B) has a back-entry flush connection for concealed plumbing. Confirm the selected valve and connection layout before ordering.

What are the published dimensions?

The urinal is 733 mm high and 313 mm wide. Confirm the projection and mounting dimensions for the planned installation.

Does the 40 mm dimension describe a supplied waste fitting?

It describes the Ø40 mm pre-punched opening in the fixture. Specify the required waste fitting and trap separately in the enquiry and confirm what the quotation includes.

Which fittings should be confirmed when requesting a quote?

Ask for the flush valve, connection fittings, waste fitting, trap and mounting arrangement to be checked and itemised for the installation.
