01 Product description and specification

Product description

Grade 304 stainless steel privacy panel for installation between wall-mounted urinals. Fully welded with a satin finish, radiused front edge and heavy-duty concealed bracket for a clean, vandal-resistant installation. Suitable for new installations and retrofitting; substrate-specific wall fixings are not included.

Short Form Specification

SPECIFICATION USE
Use this description when specifying this product range.

Basterfield B17810(720x420) wall-mounted urinal privacy panel, 720 mm high x 420 mm projection, manufactured from Grade 304 stainless steel with a satin finish. Fully welded construction with a radiused front edge and heavy-duty concealed mounting bracket. Panel-to-bracket fixings are included; substrate-specific wall anchors are excluded. Designed and manufactured in South Africa.

02 Functional features

01 **Privacy between urinals**
Provides a physical privacy screen between adjacent wall-mounted urinals.

02 **Vandal-resistant construction**
Fully welded, heavy-duty stainless steel construction for demanding public washrooms.

03 **Concealed wall mounting**
A heavy-duty concealed bracket and inconspicuous panel fixings support a clean installation.

04 **Grade 304 stainless steel**
Grade 304 stainless steel with a satin finish complements ceramic and stainless steel fixtures.

05 **Radiused front edge**
The radiused front edge gives the panel a neat, minimalist profile.

06 **Suitable for retrofitting**
Can be installed alongside existing wall-mounted urinals where the site conditions are suitable.

07 **Manufactured in South Africa**

Designed and manufactured in South Africa.

03 Application information

Intended applications	Public Restrooms
Industries	Colleges & Universities, Government & Public Sector, Hotels & Lodges, Restaurants & Cafés, Schools

04 Supply and support

Typical lead time	10–15 working days
Warranty	12 months

05 Frequently asked questions

What material and finish is the privacy panel?

It is manufactured from Grade 304 stainless steel with a satin finish.

What are the panel dimensions?

The B17810(720x420) panel is 720 mm high with a 420 mm projection from the wall.

Can the panel be retrofitted alongside existing urinals?

Yes. It can be added alongside existing wall-mounted urinals where the wall, clearances and fixing positions are suitable.

What mounting components are included?

A heavy-duty concealed mounting bracket and the panel-to-bracket fixings are included.

Are the wall anchors included?

No. The installer must select wall anchors or fasteners suitable for the wall substrate and installation conditions.

Can it be installed alongside ceramic and stainless steel urinals?

Yes. The independent wall-mounted panel is intended for use alongside wall-mounted urinals, including ceramic and stainless steel fixtures, subject to the site layout and wall construction.

Where is the privacy panel manufactured?

It is designed and manufactured in South Africa.

VERIFICATION REQUIRED Published values are provided for initial specification. Confirm the selected model, critical dimensions, site services, clearances, and the latest document revision with Basterfield before procurement, manufacture, or installation. E&OE.
