- Material: Stainless Steel Grade 304
- Finish: Satin Polished
- Seat: Foldable and Slatted
- Support: Supplied Wall-Mounting Brackets
- Mounting Points: Four

05 Frequently asked questions

Which lengths are available?

Choose a 450mm, 600mm or 900mm seat length.

What material and finish are used?

The seat is made from Grade 304 stainless steel with a satin-polished finish.

Does the seat fold away?

Yes. The seat folds away to make room for standing use of the shower.

What mounting arrangement is supplied?

Heavy-duty wall-mounting brackets with four mounting points are supplied. Confirm the supporting wall and fixing requirements for the installation when requesting a quotation.

How does water drain from the seat?

The slatted seat allows water to pass through the gaps between the slats.
