02 Configuration options

Length	450 mm; 600 mm; 900 mm

Options vary by model; not every combination is available. Use the product page to select a model.

03 Functional features

01 **Folds Away for Standing Use**
The seat folds away when additional shower space is required.

02 **Slatted Seat for Drainage**
Gaps between the stainless steel slats allow shower water to pass through.

03 **Wall-Mounted Support**
Supplied brackets provide four mounting points and keep the floor beneath the seat clear of legs.

05 Supply and support

Typical lead time	10–15 working days
Warranty	12 months

06 Frequently asked questions

Which lengths are available?

Choose a 450mm, 600mm or 900mm seat length.

What material and finish are used?

The seat is made from Grade 304 stainless steel with a satin-polished finish.

Does the seat fold away?

Yes. The seat folds away to make room for standing use of the shower.

What mounting arrangement is supplied?

Heavy-duty wall-mounting brackets with four mounting points are supplied. Confirm the supporting wall and fixing requirements for the installation when requesting a quotation.

How does water drain from the seat?

The slatted seat allows water to pass through the gaps between the slats.
