Intended applications	Hospital Sinks, Sluice Rooms (Dirty Utility Rooms)
Industries	Hospitals & Clinics, Research Laboratories

04 Supply and support

Typical lead time	10–15 working days
Warranty	24 months

05 Frequently asked questions

Which side is the slop hopper on?

The hopper is on the left and the wash hand basin is on the right in this configuration.

Are the cistern and splashback included?

Yes. This model includes a high-level cistern with pull-rod flushing and a 150 mm rear splashback.

What drainage connections are required?

The slop hopper has a 110 mm outlet and the wash basin has a separate 40 mm outlet. Check both connections against the site drainage layout.

Does this 1200 mm model include a drainer?

No. The 1200 mm unit combines the hopper and wash basin without a drainer section.
