Warranty	24 months

05 Frequently asked questions

What are the overall dimensions and arrangement?

The unit is 1600 mm long and 600 mm wide, with a left-hand slop hopper, adjacent wash basin and right-hand drainer.

Are the cistern and splashback supplied?

Yes. This configuration is supplied with a high-level cistern, pull-rod flushing and a 150 mm rear splashback.

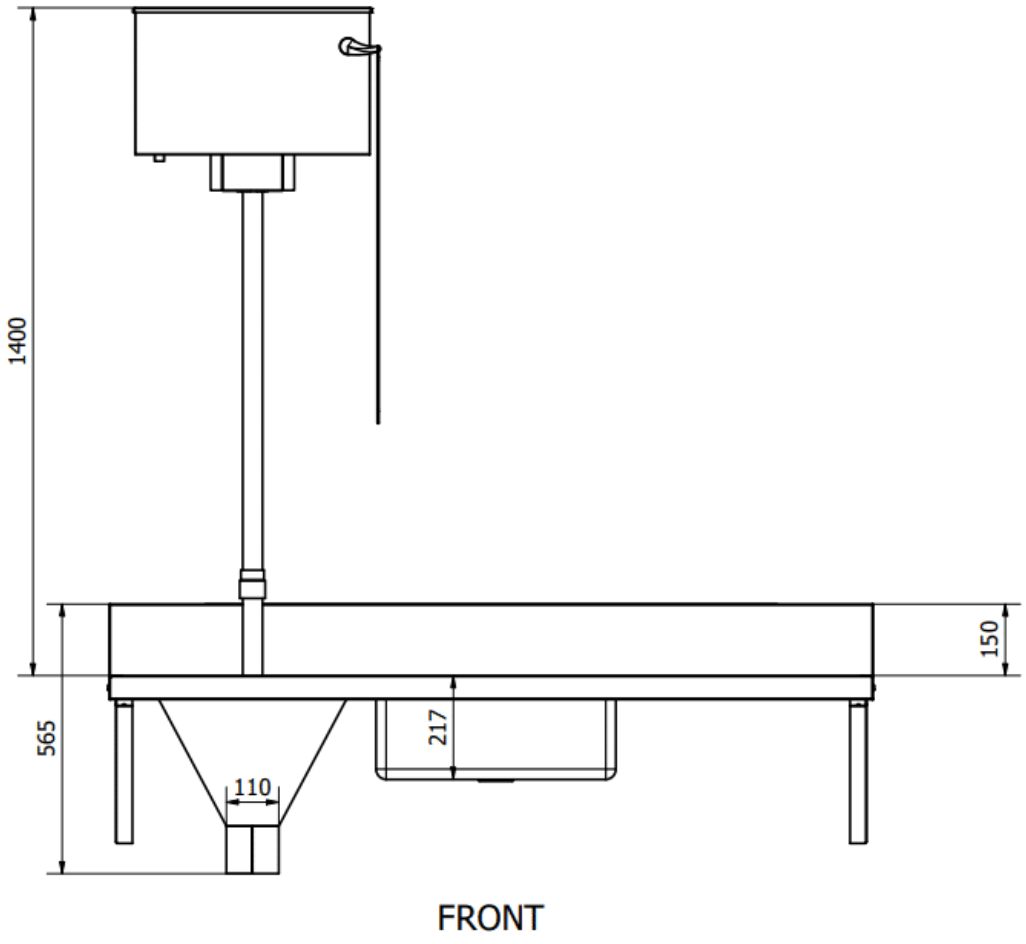

Which drainage connections are provided?

The slop hopper has a 110 mm outlet and the wash basin has a separate 40 mm outlet. Check both against the site drainage layout.

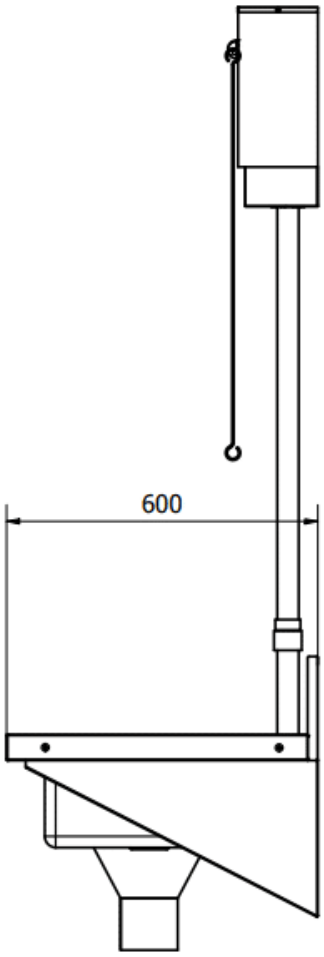

Does this model include a drainer?

Yes. The 1600 mm configuration includes a right-hand drainer beside the basin.
