05 Frequently asked questions

Where is this dispenser intended to be used?

The B30720 is a floor-mounted garage roll paper dispenser for workshop and production cleaning areas.

What material is the dispenser made from?

The dispenser is manufactured from Grade 304 stainless steel.

How is paper loaded and separated?

The roll is loaded onto the brackets, and a razor-edge cutter provides the paper-tearing edge.

What should I check when selecting a paper roll?

State the paper-roll width and diameter with your enquiry so the dispenser can be matched to the roll.
