Parent product	B30725(112) — Grade 304 Wall-Mounted Paper Roll Dispenser
Typical lead time	10–15 working days
Warranty	12 months

03 Specification notes

Configuration description

The B30725(112) is a wall-mounted paper roll dispenser for workshop, wash-down and production cleaning areas. Its Grade 304 stainless steel tubular frame accommodates paper rolls up to 210 mm wide.

A serrated cutting blade provides the tear-off edge. The open frame lets users see the remaining roll, while wall mounting keeps the dispenser clear of the work surface.

Drop-on wall brackets and pre-punched 6 mm diameter mounting holes are provided. The dispenser is supplied without a paper roll so the required paper grade and ply can be specified for the application.

Short Form Specification

SPECIFICATION USE
Use this description when specifying this model.

Detailed specification

- Model: B30725(112)
- Product type: Wall-mounted paper roll dispenser
- Material: Grade 304 stainless steel
- Frame: Tubular
- Maximum paper roll width: 210 mm
- Cutter: Serrated blade
- Mounting: Drop-on wall brackets
- Mounting hole diameter: 6 mm
- Paper roll included: No

04 Frequently asked questions

What paper roll width is supported?

The dispenser accommodates paper rolls up to 210 mm wide.

Is a paper roll included?

No. The dispenser is supplied without a paper roll so the required paper grade and ply can be selected for the application.

How is the dispenser mounted?

Drop-on wall brackets are provided with pre-punched 6 mm diameter mounting holes.

How is the paper separated from the roll?

An integrated serrated cutting blade provides the tear-off edge. The open frame also allows the remaining roll to be checked visually.
