03 Specification notes

Configuration description	The Basterfield B30800(030) is the 30 L option in the B30800 wall-mounted waste-bin range. It is manufactured from Grade 304 stainless steel with a satin polished finish, keyhole mounting slots and hemmed opening edges. Use it for everyday waste collection in washrooms, changing rooms and commercial or institutional facilities. Select a suitable supporting wall and fixing method, and allow access for emptying and cleaning. Choose the waste stream, any liner and servicing routine to suit the site.
Short Form Specification	SPECIFICATION USE Use this description when specifying this model. Basterfield B30800(030), 30 L nominal capacity, Grade 304 stainless steel wall-mounted waste bin; satin polished finish, keyhole mounting slots and hemmed opening edges.
