01 Product description and specification

Product description

Lockable Grade 304 stainless steel wall bracket for 2 polycans. Helps discourage unauthorised access and accidental selection of the wrong chemical container.

Short Form Specification

SPECIFICATION USE

Use this description when specifying this product range.

Basterfield B31110(D). Wall-mounted double polycan bracket in Grade 304 stainless steel, with an adjustable locking bar, keyhole mounting points and drainage holes. Capacity: 2 polycans. Combined polycan envelope: 650mm (L) x 325mm (W) x 565mm (H). Overall bracket dimensions: 778mm (L) x 338mm (W) x 680mm (H). Padlocks are excluded. Intended to discourage unauthorised access to special chemical containers and help prevent accidental selection of the wrong container. It is not designed to prevent theft or resist deliberate force. Containers can still be removed by intentional, forceful removal.

02 Models and configurations

Common to all models: Overall dimensions (L x W x H): 778 x 338 x 680 mm
