Industries	Government & Public Sector

05 Supply and support

Typical lead time	10–15 working days
Warranty	12 months

06 Frequently asked questions

What is the basin size?

The basin measures 500 × 420mm in plan.

Which mounting arrangements can I select online?

The two selectable configurations are galvanised wall brackets and stainless steel gallows brackets.

How do I request a tiling key or front support legs?

Include the requirement in your quotation request so the installation arrangement can be confirmed. These are not separate options in the online bracket selector.

How should taps and other fittings be specified?

State the tap and fitting requirements in your quotation request so the complete wash-point arrangement can be confirmed.
