Warranty	12 months

03 Specification notes

Configuration description	The Basterfield B36661(S-G1-SL) is a Grade 304 stainless steel wash hand basin with 25 mm radiused internal bowl corners for medical and healthcare handwashing, as well as laboratory, commercial and institutional handwashing points. The curved bowl corners are easier to reach during routine cleaning. The basin is manufactured from 1.2 mm stainless steel and has catalogue dimensions of 500 mm long x 420 mm wide x 400 mm high. The bowl measures 440 mm long x 310 mm wide x 150 mm deep. A 50 mm integrated splashback, 26 mm turndown edge and 40 mm waste outlet hole complete the basin specification. Supplied with 25 x 25 mm square tubular stainless steel gallows brackets, with mounting holes at a 215 mm pitch. This model also includes stainless steel front support legs with adjustable feet. Specify tapware, tap-hole arrangement, waste fittings and mounting height for the installation.
Short Form Specification	SPECIFICATION USE Use this description when specifying this model. Basterfield B36661(S-G1-SL) wash hand basin; Grade 304 stainless steel, 1.2 mm thick; catalogue basin dimensions 500 x 420 x 400 mm (L x W x H); bowl 440 x 310 x 150 mm (L x W x D); 25 mm radiused bowl corners; 50 mm splashback; 26 mm turndown edge; 40 mm waste outlet hole; 25 x 25 mm square tubular stainless steel gallows brackets with 215 mm mounting-hole pitch; front support legs with adjustable feet included.
