04 Specification notes

Configuration description	The Basterfield B38136(P16) Eco rack provides freestanding, single-sided storage for 16 boot pairs. It is manufactured from Grade 304 stainless steel with a welded frame and solid round-bar boot supports. Overall dimensions are 1065 mm length x 500 mm width x 1250 mm height. Use these dimensions to plan the floor space and allow clear access from the boot-storage side. The open rack keeps work boots organised in changing rooms, locker rooms and footwear or PPE storage areas, with space around the footwear for air circulation. Position it on a suitable level floor and follow the workplace cleaning and maintenance procedure.
Short Form Specification	SPECIFICATION USE Use this description when specifying this model. Basterfield B38136(P16) Eco freestanding single-sided boot rack for 16 boot pairs, Grade 304 stainless steel with a welded frame and solid round-bar prongs. Overall dimensions 1065 mm (L) x 500 mm (W) x 1250 mm (H), to specification reference B38136{PSS}. Position on a suitable level floor with access and cleaning clearances.
