01 Product description and specification

Product description	Single-sided free-standing stainless steel boot rack with square tubular prongs for changing rooms and production facilities.
Short Form Specification	**SPECIFICATION USE** Use this description when specifying this product range. Basterfield B38137. Single-Sided Freestanding Stainless Steel Boot Rack. Boot Pairs: 8, 12, 16, 20, 24, 36. Manufactured entirely from Grade 304 stainless steel, the unit provides excellent corrosion resistance, a hygienic surface finish and long-term structural integrity under heavy daily use. The defining feature of this model is its square-section stainless-steel prongs, each fitted with hygienic end caps to improve boot engagement, prevent snagging and enhance long-term durability.

02 Configuration options

Boot Pairs	8; 12; 16; 20; 24; 36
