01 Product description and specification

Product description	Lockable mobile stainless steel boot rack for storing footwear and repositioning the rack within changing areas. This boot rack is available in multiple capacities to accommodate 8, 12, 16, 20, 24, or 36 pairs of gumboots, making it suitable for operations of all sizes. Each boot slot features individual lockable tabs, allowing boots to be securely stored using padlocks (optional) to prevent unauthorized use or loss. For ease of movement, the unit is mounted on durable castors, with two lockable wheels to ensure both mobility and stability when needed. Its sturdy, space-efficient design allows for organized boot storage while maintaining cleanliness and accessibility in hygiene-sensitive environments.
Short Form Specification	SPECIFICATION USE Use this description when specifying this product range. Basterfield B38140. Lockable Mobile Boot Rack Stainless Steel. Boot Pairs: 20, 8, 12, 16, 24, 36.
