Detailed specification	• Model: B38220(S2-112-2000) • Length: 2000 mm • Shoe Shelf Tiers: 2

05 Frequently asked questions

Which standard lengths are available?

The standard published lengths are 1000, 1500 and 2000 mm. Select the length together with the required shoe-shelf arrangement.

What shoe-shelf options can I choose?

Choose no shoe shelf, a single-tier shoe shelf or a two-tier shoe shelf. The selected length and shelf option identify the matching item code.

Can the bench be accessed from both sides?

Yes. The bench is accessible from both sides. Allow appropriate access space when planning its position in the changing room.

What material and finish are specified?

The bench is manufactured from Grade 304 stainless steel with a fully welded frame, dull-polished finish and adjustable levelling feet.

Is a 1.5 mm material option published?

Yes. Advanced item B38220(S0-115-2000) is 2000 mm long, without a shoe shelf, in 1.5 mm material thickness. Select that specific model when requesting this option.
