01 Product description and specification

Product description

Step over bench in Grade 304 stainless steel for changing rooms, providing seating and a physical division between footwear zones.

A two-tier shoe shelf provides footwear storage, with half-height clean zone divider dust covers on each side. The fully welded frame has square adjustable feet.

Standard lengths are 1000, 1500 and 2000 mm. All standard lengths are 350 mm wide and 450 mm high. Custom lengths are available upon request.

For changing areas serving food and beverage processing, pharmaceutical manufacturing and laboratories.

Short Form Specification

SPECIFICATION USE

Use this description when specifying this product range.

Basterfield B38220(CZD). Step over bench in Grade 304 stainless steel with a two-tier shoe shelf, square adjustable feet and half-height clean zone divider dust covers on each side. Standard lengths: 1000, 1500 or 2000 mm; width: 350 mm; height: 450 mm.
