01 Product description and specification

Product description

Grade 304 stainless steel step-over bench with single side clean zone dividers and a single-tier or two-tier boot shelf, accessible from the clean side.

A physical division between footwear zones supports changing-room footwear transitions. The fully welded stainless steel frame has smooth surfaces for cleaning and adjustable stainless steel levelling feet.

Standard sizes are 1000, 1500 and 2000 mm long, 350 mm wide and 450 mm high. Choose a single-tier or two-tier boot shelf with access from the clean side. Custom lengths are available upon request.

Designed and manufactured in South Africa.

Short Form Specification

SPECIFICATION USE

Use this description when specifying this product range.
