01 Product description and specification

Product description	Coat and helmet hook for keeping workwear organised in changing rooms and production facilities. Supplied with pre-drilled holes, the unit is simple to install and mount on the wall. As the unit is wall mounted, it saves space within the change room. The coat hanging hooks provide an effective way of hanging smocks, lab coats and other garments. Helmets can be easily hung on the unit with ample space between the hooks. The B38320 Wall Mounted Coat & Helmet Hanging Hooks are available in 1, 5, 10 and 20 hook sizes. Construction and features • Manufactured from Grade 304 stainless steel ensuring high sanitary standards. • Pre-drilled holes making installation and wall mounting extremely easy. • Aesthetic dull polished stainless steel finish. • Designed to make cleaning of the unit easy and hassle-free. • Available in a variety of configurations.
Short Form Specification	SPECIFICATION USE Use this description when specifying this product range. Basterfield B38320. Coat and Helmet Hook. Number of Hooks: 1, 5, 10, 20. Supplied with pre-drilled holes, the unit is simple to install and mount on the wall.
