05 Frequently asked questions

How many hangers are supplied?

The H20 version is supplied with 20 fixed stainless steel coat hangers. The H30 version is supplied with 30. Select the required count in the product configurator.

Are the hangers removable?

The supplied stainless steel coat hangers are fixed to the rail.

How is the rail mounted?

The rail has integral wall-mounting brackets. Match the mounting arrangement to the installation surface when specifying the installation.
