03 Model and supply data

Parent product	B66730 — Apron Wash Booth
Typical lead time	10–15 working days
Warranty	12 months

04 Specification notes

Configuration description

1700mm-high apron wash booth for work-apron cleaning in food processing and production facilities. The booth measures 1024mm long x 354mm wide x 1700mm high.

Three apron hooks hold the apron during washing. A forward-sloped trough with enclosed sides collects wastewater and directs it to the 40mm right-hand outlet.

Supplied with a hand-held water-fed scrubbing brush, heavy-duty hose and 1/2-inch ball valve inlet. Pre-punched wall-fixing holes and a 40mm x 40mm stainless steel tubular leg frame provide support, with adjustable feet for levelling.
