01 Technical specifications

| PARAMETER          | VALUE                     | UNIT | TECHNICAL NOTE                                                                                                                |
|--------------------|---------------------------|------|-------------------------------------------------------------------------------------------------------------------------------|
| Length             | 750                       | mm   | The length of the item typically as measured from left to right.                                                              |
| Width              | 750                       | mm   | The width of the item typically as measured from front to back.                                                               |
| Height             | 100                       | mm   | Overall vertical envelope, including the splashback where fitted. For tables and sinks, this is distinct from working height. |
| Material           | Stainless Steel Grade 304 | —    | The primary material used in the construction of the item. Certain components may be manufactured from different materials.   |
| Material Thickness | 0.9                       | mm   | The thickness of the material used for the item's primary construction. The thickness of individual components may vary.      |
| Mounting Type      | Recessed or frame-mounted | —    | —                                                                                                                             |

02 Dimensions and mass

| PARAMETER      | VALUE | UNIT |
|----------------|-------|------|
| Length         | 750   | mm   |
| Width          | 750   | mm   |
| Overall height | 100   | mm   |

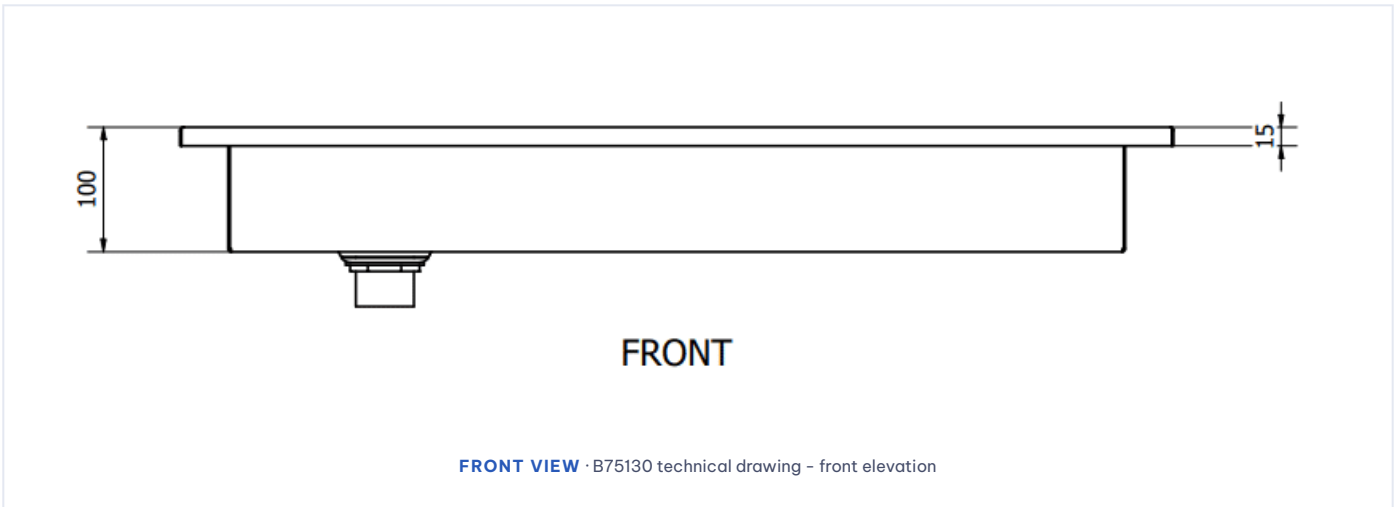

03 Model and supply data

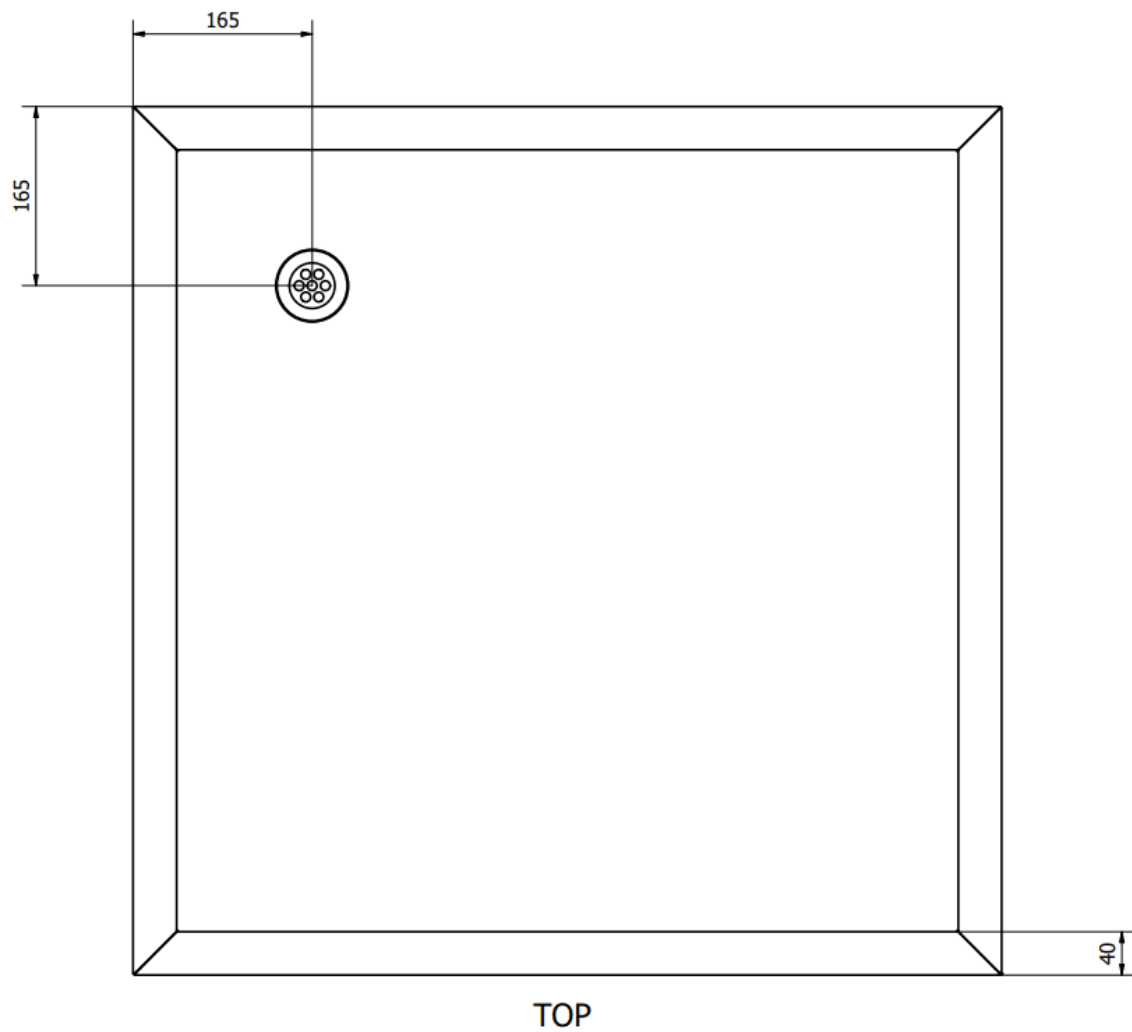

|                   |                                       |
|-------------------|---------------------------------------|
| Parent product    | B75130 – Shower Trays Stainless Steel |
| Typical lead time | 10–15 working days                    |
| Warranty          | 12 months                             |

04 Specification notes

|                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
|---------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Configuration description | <p>Shower Tray Stainless Steel Grade 304 750 mm (L) x 750 mm (W) x 100 mm (H) to B75130(750){PSS}, with a pre-punched 1 1/2-inch BSPT waste outlet hole.</p> <p>This heavy-duty tray has a 40 mm apron and turned-down edge on all four sides for recessed or frame-mounted installation. It is suited to high-traffic hospitals, public ablutions, hostels and industrial facilities. The waste fitting is not included unless selected separately.</p>                                                                                                                                                                                                                                                                                                   |
