06 Frequently asked questions

Which standard B75130 shower tray sizes are available?

The standard square sizes are 750 x 750 mm, 800 x 800 mm and 900 x 900 mm. Each tray is 100 mm high with a 40 mm apron all round.

What waste connection is provided?

The tray has a pre-punched 1 1/2-inch BSPT waste outlet hole. The waste fitting is not included unless it is selected separately.

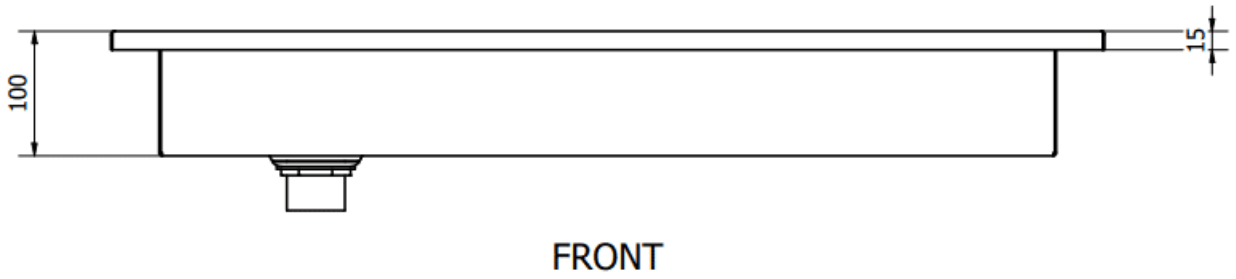

How can the shower tray be installed?

The turned-down edges on all four sides allow the tray to be recessed into the floor or mounted on a suitable support frame.

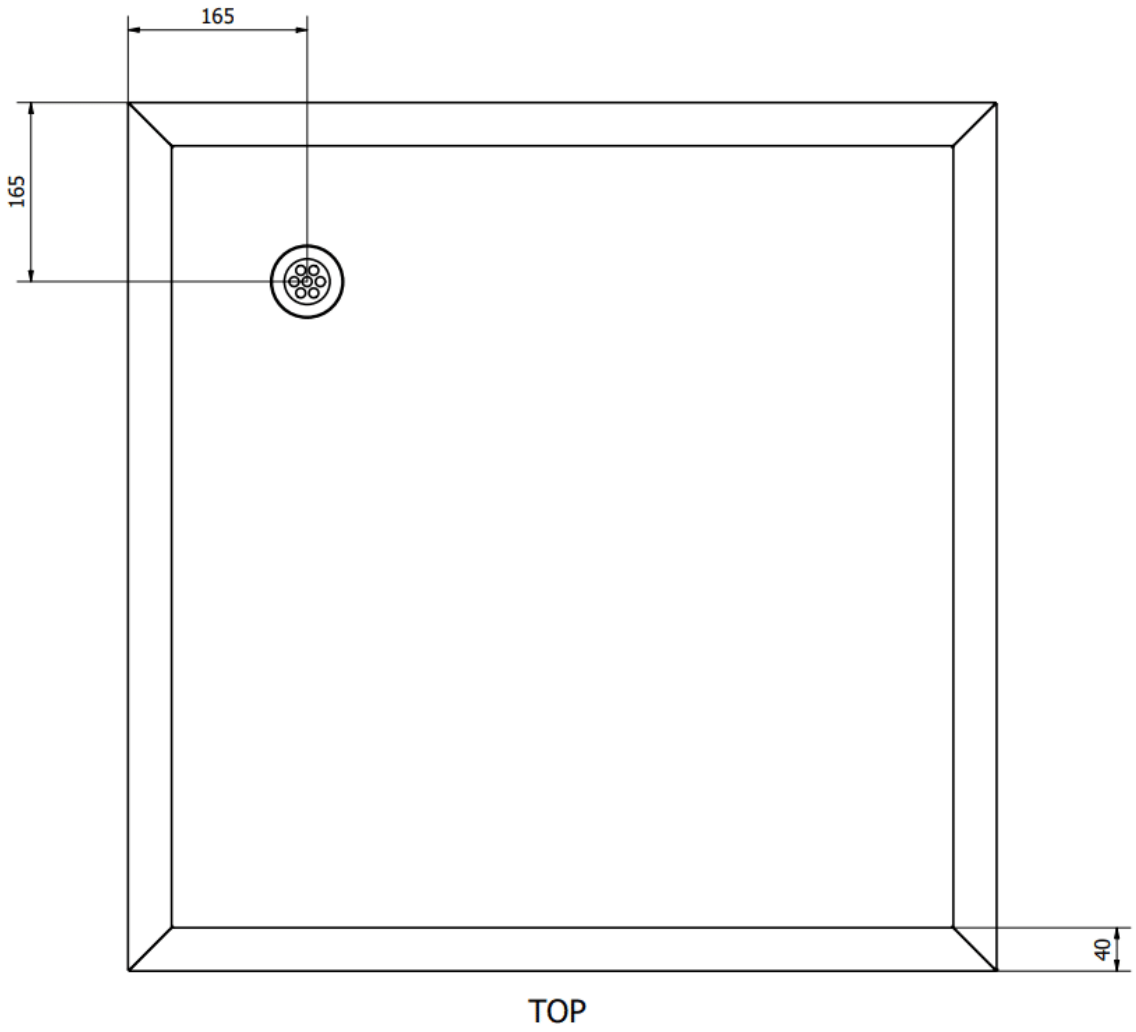

Where is this shower tray typically used?

It is intended for high-traffic shower areas such as hospitals, public ablutions, hostels and industrial facilities.
