| Product description      | <p>Stainless steel shower tray for commercial and institutional shower installations. Specify the size and waste outlet configuration required.</p> <p>Manufactured from Grade 304 stainless steel, it offers exceptional corrosion resistance, durability, and hygiene, making it suited to high-traffic use.</p> <p>The tray features a heavy-duty design with turned-down edges on all four sides, allowing for seamless floor recess installation or secure frame mounting. A 40 mm grated waste fitting ensures efficient drainage, while a 40 mm apron around all sides provides a clean and professional finish.</p> <p>Available in 750 mm, 800 mm, and 800 mm boxed widths, with a standard 100 mm depth, our shower trays can also be custom-manufactured for single or multiple users to meet your exact specifications.</p> |
