01 Product description and specification

Product description	The B80113 dog-leg grab rail provides support alongside washroom fixtures. It is manufactured from 32 mm diameter Grade 304 stainless steel tubing, with a 68° bend between two 450 mm sections. Three mounting points use 75 mm diameter plates, each with three 8 mm fixing holes. Screws and wall anchors are excluded and should be selected for the wall construction and installation conditions.
