01 Technical specifications

| PARAMETER          | VALUE                     | UNIT | TECHNICAL NOTE                                                                                                                |
|--------------------|---------------------------|------|-------------------------------------------------------------------------------------------------------------------------------|
| Working Height     | 900                       | mm   | Floor to the tabletop or working surface; excludes any splashback.                                                            |
| Splashback Height  | 400                       | mm   | Height of the splashback above the tabletop or working surface.                                                               |
| Overall height     | 1300                      | mm   | Overall vertical envelope, including the splashback where fitted. For tables and sinks, this is distinct from working height. |
| Number of Bowls    | 2                         | —    | —                                                                                                                             |
| Bowl Orientation   | Centre                    | —    | —                                                                                                                             |
| Material           | Stainless Steel Grade 304 | —    | The primary material used in the construction of the item. Certain components may be manufactured from different materials.   |
| Material Thickness | 1.2                       | mm   | The thickness of the material used for the item's primary construction. The thickness of individual components may vary.      |
| Width              | 700                       | mm   | The width of the item typically as measured from front to back.                                                               |
| Length             | 1500                      | mm   | The length of the item typically as measured from left to right.                                                              |

01 Technical specifications

| PARAMETER   | VALUE | UNIT | TECHNICAL NOTE                                                   |
|-------------|-------|------|------------------------------------------------------------------|
| Bowl Width  | 500   | mm   | —                                                                |
| Bowl Length | 500   | mm   | The length of the bowl typically as measured from left to right. |
| Bowl Depth  | 250   | mm   | —                                                                |

02 Dimensions and mass

| PARAMETER      | VALUE | UNIT |
|----------------|-------|------|
| Length         | 1500  | mm   |
| Width          | 700   | mm   |
| Overall height | 1300  | mm   |
