The E22127 is a stainless steel combination sink for washing and preparation tasks in commercial and institutional kitchens, including restaurant, hotel and contract catering wash areas.

121 Koornhof Road, Meadowdale, Germiston, South Africa, 1614 · hello@basterfield.co.za · basterfield.co.za · +27 87 095 5357

What dimensions and bowl arrangement should I specify?

Provide the available length and width, required working height, bowl sizes and preferred bowl positions. Include a kitchen layout or drawing where available.

Are taps and waste fittings included?

Tell us which tapware, waste fittings and other components you need supplied, and where the water supply and waste connections are located, so these can be itemised in the quotation.

What should I check before installation?

Check that the selected sink and its support arrangement fit the available space and site water and waste connections. Allow access around the sink for use, cleaning and maintenance.

How do I request a quotation for E22127?

Select the quantity and use Add to quote, or send an enquiry quoting E22127. Include the intended washing or preparation tasks, required dimensions and bowl layout, fittings, delivery location and any project specification. Pricing and delivery timing will be confirmed in the quotation.
