04 Functional features

01 Hygienic stainless steel construction

Smooth, non-porous surfaces are easy to clean and suitable for commercial hygiene environments.

02 Designed for commercial environments

Built for repeated daily use rather than light domestic applications.

- 03 Stainless Steel Grade 304 construction, including framework**
Provides excellent corrosion resistance, durability and hygiene in normal commercial kitchen and food-service environments.
- 04 Heavy-duty fabricated construction**
Provides greater rigidity and durability under demanding commercial use.
- 05 Deep pot-washing bowl**
Provides the capacity required to wash large pots, pans, containers and utensils that cannot be accommodated in conventional sink bowls.

05 Application information

Intended applications	Pot Washing
Industries	Foodservice & Catering

06 Supply and support

Typical lead time	10-15 working days
Warranty	12 months
