Options vary by model; not every combination is available. Use the product page to select a model.

04 Functional features

01 **Hygienic stainless steel construction**

Smooth, non-porous surfaces are easy to clean and suitable for commercial hygiene environments.

121 Koornhof Road, Meadowdale, Germiston, South Africa, 1614 · hello@basterfield.co.za · basterfield.co.za · +27 87 095 5357

02 **Designed for commercial environments**
Built for repeated daily use rather than light domestic applications.

03 **Stainless Steel Grade 304 construction, including framework**
Provides excellent corrosion resistance, durability and hygiene in normal commercial kitchen and food-service environments.

04 **Heavy-duty fabricated construction**
Provides greater rigidity and durability under demanding commercial use.

05 **Deep pot-washing bowl**
Provides the capacity required to wash large pots, pans, containers and utensils that cannot be accommodated in conventional sink bowls.

05 Application information
