01 Product description and specification

Product description	Pot sink with a single right-hand bowl for washing cookware in commercial and institutional kitchens. With a right-hand positioned deep bowl (500 mm width x 600 mm length x 300 mm depth), this sink is suited to washing large cookware, including oversized pots and pans, ensuring efficient workflow in food preparation and catering facilities. Superior stainless steel Construction • A full stainless steel frame with reinforced legs and support structure provides long-lasting stability and strength. Optimized for Commercial Use • 150 mm rear splashback minimizes water splashes, helping maintain a clean and sanitary workspace. • Integrated 40 mm waste outlet for smooth and efficient drainage. • Adjustable stainless steel feet allow the unit to be leveled on uneven flooring. Size Options & Customization • Standard length: 1600 mm (custom sizes available upon request). • Standard width: 650 mm (alternative options: 600 mm or 700 mm). • Tabletop height: 900 mm (1050 mm including splashback). Designed for professional use, this right-hand bowl pot sink is part of a range that includes left-hand and center bowl configurations, catering to different workspace layouts. Require a Custom Size?
