07 Frequently asked questions

Which models can I select?

Choose 1 Division, 2 Divisions, 3 Divisions or 3 Divisions L3. The selected model has its own item code.

Which model includes low-water-level protection?

Low-water-level protection is specified for the three-division L3 model, E23100003L.

Are insert containers and lids included?

No. Insert containers and lids are supplied separately and should be specified with the quotation.

What heating and drainage features are specified?

The range has 3 kW immersion heating with variable heat control, a drain tap, a 1.2 m flexible cord and a three-pin plug.

E&OE. Specifications are subject to change without notice.
