05 Frequently asked questions

What is included in the standard construction?

The unit has stainless steel construction with a No. 4 satin finish, thermostatic temperature control and a drain cock fitted to the well.

Are bain-marie inserts included?

Inserts are listed as optional extras. Specify the required sizes and quantities so they can be included separately in the quotation.

Which other accessories can be requested?

Optional extras include inserts, a temperature gauge, custom tops, tray slides, sneeze guards, riser shelves and gantries. Ask for the selected accessories to be itemised with the quotation.

What information is needed before ordering?

Provide the available space, required insert sizes and quantities, intended food-service use and site electrical supply.
