Parent product	E24111(S3) — S3 Stainless Steel Electric Water Urn
Typical lead time	10–15 working days
Warranty	12 months

04 Specification notes

Configuration description

The E24111(S3020) S3 electric water urn has a 20 L capacity and the recorded 3 kW item rating. It is manufactured from Grade 304 stainless steel with simmerstat heat control, a draw-off tap with a replaceable seat and insulated carrying handles.

A 1.2 m flexible cord and three-pin plug are included in the range specification. Quote the full item code and confirm the electrical supply requirements for this model before ordering.

Short Form Specification

SPECIFICATION USE
Use this description when specifying this model.

Basterfield E24111(S3020). S3 Electric Water Urn; Capacity: 20 L; Power: 3 kW; Grade 304 Stainless Steel; Simmerstat Control; Draw-Off Tap with Replaceable Seat; Insulated Carrying Handles; 1.2 m Cord and Three-Pin Plug.

Detailed specification

- Item Code: E24111(S3020)
- Type: S3 Electric Water Urn
- Capacity: 20 L
- Power: 3 kW
- Material: Grade 304 Stainless Steel
- Heat Control: Simmerstat Switch
- Tap: Draw-Off Tap with Replaceable Seat
- Handles: Insulated Carrying Handles
- Cord and Plug: 1.2 m Flexible Cord and Three-Pin Plug

05 Frequently asked questions

What capacities are available?

The published S3 capacities are 8, 10, 12, 15, 20, 25, 30, 40, 50 and 75 L.

What type of heat control does the S3 use?

The S3 uses a simmerstat switch for heat control. If you require a thermostat or low-water-level protection, include that requirement in your enquiry so the appropriate model can be confirmed.

What is included in the recorded specification?

The range specification includes a Grade 304 stainless steel body, a draw-off tap with a replaceable seat, insulated carrying handles, a 1.2 m flexible cord and a three-pin plug.

What should I specify when requesting a quote?

Provide the complete S3 item code, capacity, quantity and site electrical supply requirements. Confirm the electrical requirements for the selected model before ordering.
