01 Product description and specification

Product description

Grade 430 Eco preparation table with a 0.9 mm worktop and tubular undershelf. For catering and foodservice; 900 mm standard height with advanced height options.

Short Form Specification

SPECIFICATION USE

Use this description when specifying this product range.

Shall be Basterfield E25145(209-T) Eco Preparation Table with a Grade 430 stainless steel worktop, stainless steel frame and adjustable feet. The worktop is Grade 430 stainless steel, 0.9 mm thick. Choose a separate table range when a thicker worktop is required. The standard working height is 900 mm. Advanced customisation offers 850 mm or 1000 mm working heights. Lengths of 500, 900, 1200, 1500, 1800, 2000 or 2400 mm, and widths of 600, 650 or 700 mm are available. Supplied with a tubular undershelf in Grade 304 or Grade 430 stainless steel, 1.2 mm only. The tubular design uses formed open-section sheet metal.

02 Technical specifications

| PARAMETER                | VALUE                     | UNIT | TECHNICAL NOTE                                                                                                              |
|--------------------------|---------------------------|------|-----------------------------------------------------------------------------------------------------------------------------|
| Material                 | Stainless Steel Grade 430 | —    | The primary material used in the construction of the item. Certain components may be manufactured from different materials. |
| Material Thickness       | 0.9                       | mm   | The worktop is Grade 430 stainless steel, 0.9 mm thick. Choose a separate table range when a thicker worktop is required.   |
| Product Range            | Eco                       | —    | —                                                                                                                           |
| Splashback Configuration | None                      | —    | —                                                                                                                           |

03 Models and configurations

| ITEM CODE                      | LENGTH  | WIDTH  | UNDERSHELF SPECIFICATION                | WORKING HEIGHT |
|--------------------------------|---------|--------|-----------------------------------------|----------------|
| E25145(209-2400x700x1000-T112) | 2400 mm | 700 mm | Tubular Grade 304 1.2 mm (open section) | 1000 mm        |
| E25145(209-2400x700x1000-T212) | 2400 mm | 700 mm | Tubular Grade 430 1.2 mm (open section) | 1000 mm        |
| E25145(209-2400x700x850-T112)  | 2400 mm | 700 mm | Tubular Grade 304 1.2 mm (open section) | 850 mm         |
| E25145(209-2400x700x850-T212)  | 2400 mm | 700 mm | Tubular Grade 430 1.2 mm (open section) | 850 mm         |

04 Functional features

|    |                                                                                                                                                                                                                                                   |
|----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 01 | <b>Grade 430 worktop</b><br>The worktop is Grade 430 stainless steel, 0.9 mm thick. Choose a separate table range when a thicker worktop is required.                                                                                             |
| 02 | <b>Economical catering range</b><br>An economical preparation table for catering kitchens and foodservice work areas, with a stainless steel frame and adjustable feet. Eco refers to the economical product range.                               |
| 03 | <b>Adjustable feet</b><br>Adjustable feet allow levelling at the selected working height.                                                                                                                                                         |
| 04 | <b>Tubular undershelf included</b><br>Supplied with a tubular undershelf in Grade 304 or Grade 430 stainless steel, 1.2 mm only. The tubular design uses formed open-section sheet metal.                                                         |
| 05 | <b>Size and height choices</b><br>Lengths of 500, 900, 1200, 1500, 1800, 2000 or 2400 mm, and widths of 600, 650 or 700 mm are available. The standard working height is 900 mm. Advanced customisation offers 850 mm or 1000 mm working heights. |

05 Application information

|                       |                                                                         |
|-----------------------|-------------------------------------------------------------------------|
| Intended applications | Food Preparation Workstations                                           |
| Industries            | Hotels & Lodges, Institutional & Contract Catering, Restaurants & Cafés |

06 Supply and support

|                   |                    |
|-------------------|--------------------|
| Typical lead time | 10–15 working days |
| Warranty          | 12 months          |
