04 Supply and support

Warranty	24 months

05 Frequently asked questions

What are the tabletop dimensions?

The top measures 1700 mm in length and 350 mm in width.

Which material and thickness are specified?

The tabletop is Grade 304 stainless steel with a material thickness of 1.2 mm.

What supports the folding arrangement?

Wall hinges and an electro-galvanised support chain form the folding support arrangement.

Where is the support-chain mounting point?

The support-chain mounting point is 350 mm above the tabletop. Check this position and the pre-punched mounting points against the planned installation.
