01 Product description and specification

Product description

The E26157 stainless steel dish clearing trolley carries Dish 'n Tote containers for collecting used crockery in catering and institutional kitchens. The frame accommodates up to four containers and can be configured with removable stainless steel shelves and a side-mounted bin.

Four non-marking swivel castors are available in 100 mm or 125 mm diameters. Specify the containers, shelves and side bin required with the quotation.

For a trolley with deep stainless steel trays, see the E26168 range.

Short Form Specification
