- Tray Count: 2
- Tray Depth: 70mm
- Castors: Four 125mm Non-Marking Swivel Castors

05 Frequently asked questions

How many trays are available?

Choose a two-tier model with two trays or a three-tier model with three trays. Each tray is 70mm deep.

Which castor sizes are available?

Both tier arrangements are available with four 100mm or four 125mm diameter non-marking swivel castors.

How do I select a configuration?

Select the number of shelf tiers and the castor diameter. Check both values against the selected item code before adding it to your quote.

Is this the trolley for removable Dish 'n Tote containers?

The E26168 uses stainless steel trays. The E26157 range is designed around removable Dish 'n Tote containers.
