01 Product description and specification

Product description	Microwave shelf for supporting a microwave in commercial kitchens and staff refreshment areas. Constructed from high-grade stainless steel, this shelf measures 600 mm (L) x 450 mm (W) x 250 mm (H) and includes integral wall mounting brackets with pre-punched mounting holes for quick and secure installation. A 20 mm cable hole with a grommet is included for power cable management. Its smooth, cleanable surfaces make it suited to hygienic applications in kitchens, healthcare facilities, and food prep areas.
