Industries	Clinical Laboratories, Hospitals & Clinics, Research Laboratories

06 Supply and support

Typical lead time	10–15 working days
Warranty	24 months

07 Frequently asked questions

Which applications is this sink suitable for?

Hospital and clinic washing areas, healthcare utility rooms and laboratory washing stations. Select tapware to suit the intended washing task.

What are the sink and bowl dimensions?

The current triple-bowl configuration is 1950 mm long x 650 mm wide. Each bowl measures 450 mm long x 400 mm wide x 250 mm deep. Dimensions are recorded against the selected item.

Which material and thicknesses are available?

Grade 304 stainless steel. Current configurations use 1.2 mm or 1.5 mm material.

How is the sink mounted and what is included?

The sink is wall mounted using the included gallows brackets. It has a marine edge, 150 mm rear splashback and a dedicated tapware landing.

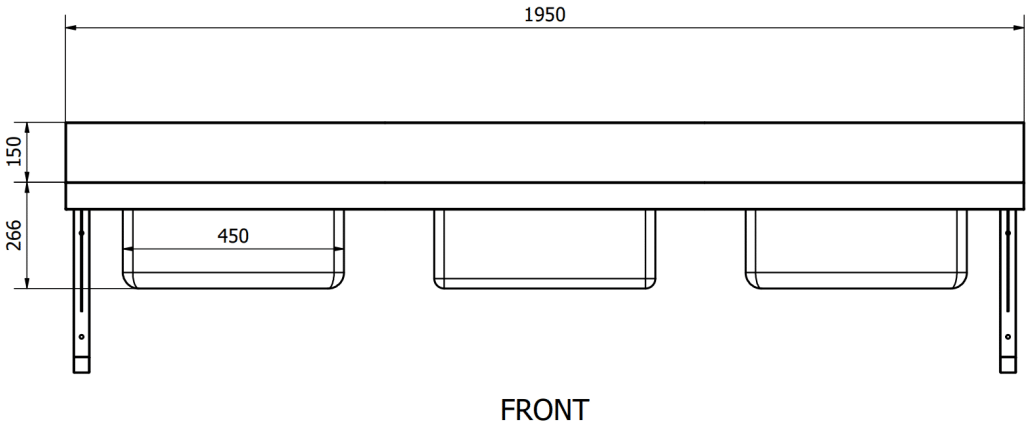

Are waste fittings included?

No. Each bowl has a pre-punched waste hole. The optional Dura 817 waste is selected separately; allow one waste fitting per bowl (3 per triple-bowl sink).

Is a medical mixer included?

No. The Borras medical mixer with wall and deck mounting kit is available as an optional accessory. Its quantity can be adjusted to suit the installation.
