04 Specification notes

Configuration description

Item H501451800 is the 1800 mm long H50145(C) veterinary autopsy table with four lockable castors.

The H50145(C) is the castor-mounted veterinary autopsy table for small-animal post-mortem examinations. It uses Grade 304 stainless steel construction, a tubular supporting frame and a brushed-finish top. Four lockable castors allow the table to be moved and positioned.

The top has a 30 mm recess and falls towards the waste outlet. Underbracing supports the slab, while an underside bitumastic coating provides sound deadening. Coordinate the waste connection with the examination area.

Choose a published length of 900, 1200, 1500 or 1800 mm. Each length retains its existing item code. Specify H50145(C) when castors are required; H50145(S) is the stationary type with adjustable feet and H50145(F) is the floor-fixed type.

Short Form Specification

> **SPECIFICATION USE**
> Use this description when specifying this model.

Basterfield H501451800; H50145(C) mobile veterinary autopsy table; Grade 304 stainless steel; 1800 mm length; four lockable castors; brushed-finish top; 30 mm recess and fall towards waste outlet; tubular frame; slab underbracing; underside bitumastic sound deadening. Reference H50145(PSS).

Detailed specification

- Item code: H501451800
- Product: H50145(C)
- Specification reference: H50145(PSS)
- Length: 1800 mm
- Material: Grade 304 stainless steel
- Mounting: Four lockable castors
- Top finish: Brushed
- Recess: 30 mm
- Top falls towards waste outlet
- Tubular supporting frame
- Slab underbracing
- Underside bitumastic sound deadening

05 Frequently asked questions

How do the C, S and F types differ?

H50145(C) has castors. H50145(S) is stationary with adjustable feet. H50145(F) is fixed to the floor. Specify the required type when requesting a quote.

Which lengths are available in the C range?

The published C-range lengths are 900, 1200, 1500 and 1800 mm. Select the existing item code for the required length.

Does the 1500 mm C-type table have castors?

Yes. The 1500 mm H50145(C) configuration is mobile with four lockable castors.

What top and drainage arrangement is provided?

The brushed-finish stainless steel top has a 30 mm recess and falls towards the waste outlet. Confirm the waste connection for the installation.
