Length	900 mm; 1200 mm; 1500 mm; 1800 mm

Options vary by model; not every combination is available. Use the product page to select a model.

03 Functional features

01 Four Lockable Castors
The C-type table uses four lockable castors for moving and positioning the unit.

02 Four Length Choices
Select a 900, 1200, 1500 or 1800 mm table length using the existing item code.

03 Recessed Draining Top
A 30 mm recess and a fall towards the waste outlet form the recorded top arrangement.

04 Grade 304 Construction
Grade 304 stainless steel construction includes a tubular supporting frame, brushed-finish top and slab underbracing.

04 Application information

Intended applications	Animal Care

04 Application information

Industries	Veterinary Services

05 Supply and support

Typical lead time	10–15 working days
Warranty	12 months

06 Frequently asked questions

How do the C, S and F types differ?

H50145(C) has castors. H50145(S) is stationary with adjustable feet. H50145(F) is fixed to the floor. Specify the required type when requesting a quote.

Which lengths are available in the C range?

The published C-range lengths are 900, 1200, 1500 and 1800 mm. Select the existing item code for the required length.

Does the 1500 mm C-type table have castors?

Yes. The 1500 mm H50145(C) configuration is mobile with four lockable castors.

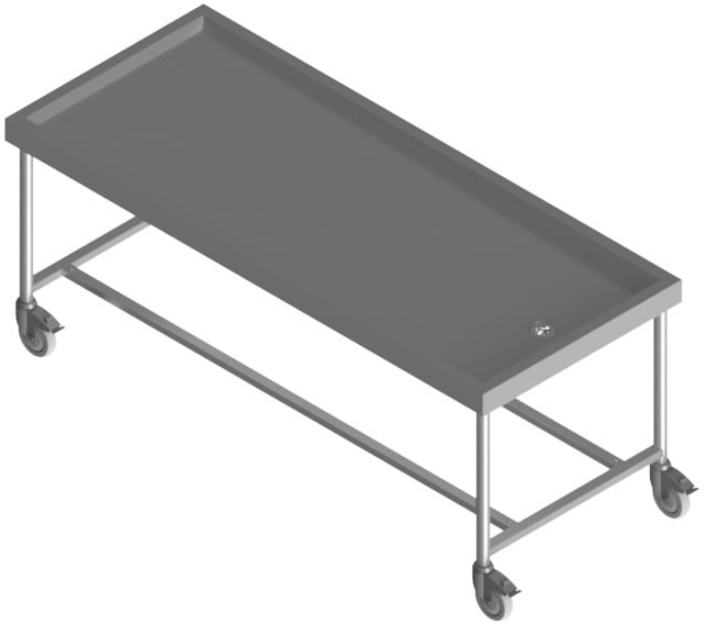

What top and drainage arrangement is provided?

The brushed-finish stainless steel top has a 30 mm recess and falls towards the waste outlet. Confirm the waste connection for the installation.
