01 Product description and specification

Product description

Stainless steel single-bowl mortuary wash-up sink with tubular frame, 150 mm splashback and adjustable feet; specify the required Grade 304 or 316 configuration.

Short Form Specification

SPECIFICATION USE
Use this description when specifying this product range.

Basterfield H72138 single-bowl mortuary wash-up sink; Grade 304 or Grade 316 stainless steel as specified; all-welded tubular frame construction; welds ground smooth and polished to a satin finish; 150 mm rear splashback; adjustable levelling feet. Confirm required material grade and configuration with the quotation.

02 Technical specifications

PARAMETER	VALUE	UNIT	TECHNICAL NOTE
Splashback Height	150	mm	Height of the splashback above the tabletop or working surface.

03 Functional features

01 **Specify the Material Grade**
The sink can be supplied in Grade 304 or Grade 316 stainless steel according to the quoted requirements.

02 **All-Welded Tubular Frame**
The supporting frame and sink use welded construction, with welds ground smooth and polished to a satin finish.

03 **150 mm Rear Splashback**
The rear splashback is 150 mm high and helps contain splashes around the wash-up area.

04 **Adjustable Levelling Feet**
Adjustable feet allow the sink to be levelled on the floor during installation.
