05 Frequently asked questions

What material is used?

The H72470(115-0900) construction uses Grade 304 stainless steel, with smooth-ground welds and a satin finish.

Is every component 1.5mm thick?

No. The construction includes both 1.2mm and 1.5mm components. Thickness varies by component.

What storage is provided?

The table has a front drawer on telescopic slides and a separate lockable compartment beneath a hinged lid.

What size is this model?

H72470(115-0900) is the 900mm model. Confirm installation dimensions and wall fixings against the approved drawing for the site.
